**BUSINESS GROWTH FACILITATION WORKSHOP**

## What are the objectives?

We interact with many SMEs, Business owners/ Entrepreneurs through MSME , various SME Associations, Business Networking Groups & Startup Groups. Based on our interactions, we have analyzed that there are four main pain points which are common across different industries & segments.

## The Main Four Pain Points are

- Leadership & Management
- Building & Retaining Productive Teams
- Marketing & Sales .
- Finance.

## Who should attend this workshop?

SMEs & Business Owners / Entrepreneurs & Start-Ups

## What are the value benefits?

The SMEs, Business Owners / Entrepreneurs & Start-ups Participants would get insights

- To address the main four pain points & facilitate implementation through a practical workbook.
- Right Business Mindset to concentrate on core business.
- MSME registrations & benefits.
